

# ERIN DENES is #1 in Sales at OC Signature Properties for 2008

It is with great pleasure that OC Signature Properties recognizes Erin Denes as the top selling realtor for 2008. Erin's success can be attributed to her ethics, integrity, ambition and attention to detail, but most importantly it is the heart she put into every client. I have been fortunate to have Erin working with me since her beginning in Real Estate over 8 years ago. Her knowledge and background in this dynamic business has not only lead to her consistent achievements but also has been a great resource for her fellow associ-

ates. Erin's excellent negotiating skills have been paramount to her accomplishments in the industry, getting the best deals for her clients.

Erin was born and raised in Villa Park where her parents and in-laws still reside. She attended Mater Dei High School and is a graduate of the University of San Francisco. Erin currently resides in Anaheim Hills with her husband Jeff and her two young children. Balancing her professional and personal life seems to come easily to Erin, she continues to amaze me with her ability to get things done. Erin's clients love her because she makes every client feel like they are her only client. Her passion for real estate results in terrific successes for her clients. This is proven with her repeat clientele and referral business. If you are thinking of buying or selling in 2009 please call Erin your area specialist.
